

This year's Art Week theme:

Albert Einstein said 'Creativity is intelligence having fun'. Who are we to argue?

Competition time

Your challenge is to **reimagine** a **Box**

Take a box of any size and reimagine it into something else.

You can cut it, add to it, it's up to you!

Be as creative as you like.

Perhaps it could become a robot that can do all your homework?

Or an animal that you have invented?

A guitar for a rock star?

Could you create a fantasy world inside your box?

Your reimagined box needs to be brought into school by **Tuesday 7th June** to be judged.

There will be prizes awarded to the most creative reimagined box in each year group.

Please make sure your entry is labelled with the slip below
